Foundation of Monroe County Community Schools

**Healthy Kids 2007
Mini-Grant Program
Grant Application**

Sponsored by Southern Indiana Pediatrics, LLC

Southern Indiana Pediatrics, LLC, will offer two (2) \$500 grants to classroom, school, or administrative programs that support the health of children in one of the following ways:

- A program or experience focused on improving general health education
- A program or experience focused on improving nutrition
- A program or experience focused on increasing physical activity

Programs or experiences may focus on specific issues related to health or to general lifestyle improvement. The intent of the grant program is to call attention to health issues significantly impacting students and to encourage adults to teach kids about their bodies and their health; to promote physical activity and to promote healthy eating. The project should primarily include students but may also provide benefits to teachers, parents or the school community. Dollars will be available upon selection of the application and will be distributed through the Foundation of Monroe County Community Schools. The project must be completed during the school year in which the grant is received. A letter describing the project and its outcomes will be required by the end of the school year. Grant recipients will be selected by a panel of pediatricians. The recipient must agree to participate in publicity of the program they implement.

Completed applications should be submitted by October 1, 2007 and sent to:

The Foundation of Monroe County Community Schools
315 North Drive
Bloomington, IN 47401
