

Date Rec'd _____

Grant # _____

Foundation of Monroe County Community Schools

Grant Application
Elementary Library Grant Program
2007-2008

In the first semester of 2007-2008, the Foundation will award \$10,000 in grant dollars to support elementary school libraries. These funds will be distributed to those schools that present the strongest need and the greatest ability to impact student learning through the use of these grant funds to purchase books. If you are interested in applying for funds from this program, please provide the following information and return to the Foundation by October 1, 2007. For those schools selected to participate this school year, funds will be available by November 1, 2007. Applying for funds through this grant program does not preclude any school from seeking funds through other grant programs offered by the Foundation of Monroe County Community Schools.

Part I. General Information

Name of Media Specialist _____

School: _____

Amount Requested: _____ # Students Impacted: _____

E-mail address: _____ Phone #/Extension: _____

Names and Positions of other Persons Involved: _____

Population to Benefit: _____

Please attach typed responses to the following on a separate piece of paper.

- 1. Please provide updated statistics on your library book collection. Include size of the collection, average age of the collection, and number of books per student.**
- 2. Please describe the greatest strengths and weaknesses of your library book collection. Include information on how previous grants through this program have supported your students and your goals for your library.**
- 3. Please detail funding available annually to support your book collection. Also include information on private gifts or grant funds that can be used to support the purchase of books for your library.**
- 4. Describe your proposed use of Foundation funding to support the growth of your library book collection.**
- 5. How would this grant request support student learning in your building? What are your goals and anticipated outcomes for this proposed grant project?**
- 6. Provide an itemized budget for grant funding.**
